

Labour & Employment Spring EMEA Clinic 2020

This is our Labour & Employment team's most popular event. To avoid disappointment, we advise you to register now before the clinic becomes fully booked.

First Time Attending?

Our unique and complimentary event gives you the opportunity to meet on a one-to-one basis with our labour and employment experts from across EMEA and Asia to get answers to the questions you have, whether they are related to a particular issue in a certain country or simply to get an overview of employment law in a specific jurisdiction.

When you register, you will have the chance to select your preferred date(s), as well as the jurisdictions you would like to meet and the specialist sessions you would like to attend. Each appointment will last up to 30 minutes, and you are free to select as many or as few as you like. Please note that we aim to schedule no more than 13 appointments in any one day (subject to availability).
