Our Corporate Practice

We are a leading global corporate law firm with more than 390 corporate lawyers spanning our firm, including more than 90 corporate lawyers across our four UK offices.

We are ranked among the 20 law firms that had “the largest global presence and were involved in the largest, most significant and groundbreaking international and cross-border matters” over the past year, and consistently, by *Law360*.

“All the people who support the client matter are both skilled, but critically open to discussion and exploration of interpretation and approaches. Equally, they are personable and pleasant to deal with, which is a great asset in high octane stressful situations. They are respectful of and responsive with their colleagues, which helps to ensure that there are no gaps in approach.” – *The Legal 500 UK 2024*

“All areas that require input are fully and comprehensively covered, combined with a constructive and proactive approach” – *Chambers UK 2024*

Global Coverage

We have one of the largest global footprints of any law firm in the world, with 15 offices in Europe – including four full-service offices in the UK – 17 offices in the US and Central America, two in the Middle East and eight in Asia Pacific. This presence, coupled with informal relationships with a network of independent firms across the globe and country desks, means we can advise our clients wherever they do business.

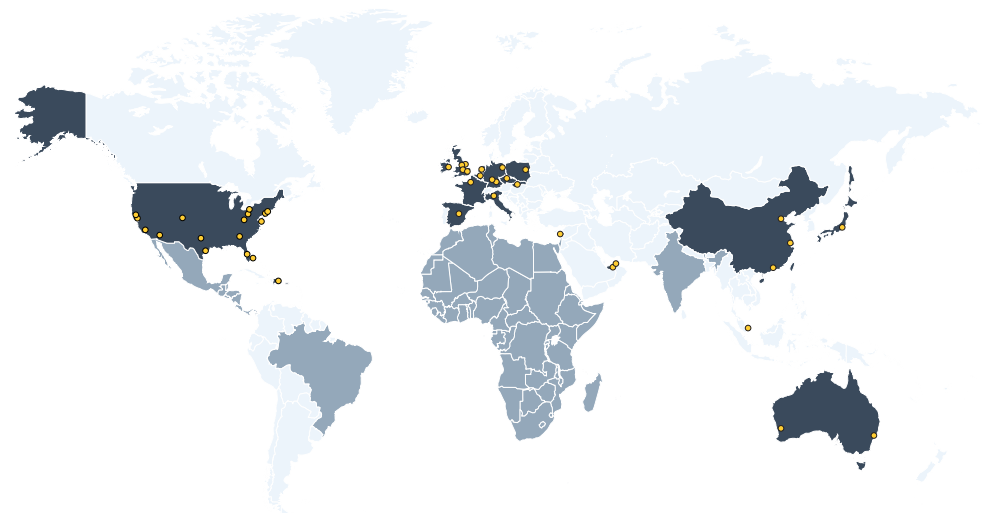

The firm is outstanding. This starts at the first point of contact with reception and then progresses with the expert lawyer, who has specialist knowledge. This is a global company that has not lost its personal touch."
