About Abigail

Abigail Harcombe is an associate in the Environmental, Safety & Health Practice Group, based in our Birmingham office.

She advises clients on a broad range of regulatory, compliance and risk management matters, and has experience in corporate transactions, advising on the allocation and management of environmental, safety and health liabilities.

Abigail has worked on regulatory investigations and prosecutions arising from health, safety and environmental incidents. She also supports the delivery of training to organisations on legal compliance and regulatory requirements.

About our firm

One of the world's strongest integrated law firms, providing insight at the point where law, business and government meet. We deliver commercially focused business solutions by combining our legal, lobbying and political capabilities and invaluable connections on the ground to a diverse mix of clients, from long-established leading corporations to emerging businesses, startup visionaries and sovereign nations. More than 1,500 lawyers in over 40 offices across four continents provide unrivaled access to expertise.
