About Alexander

Alex Warents advises banks, alternative capital providers, sponsors and public and private companies in connection with domestic and cross border commercial, as well as project financing transactions across a broad range of industries, with a particular focus on the energy sector.

Alex has significant experience with syndicated and bilateral credit facilities, focusing his practice on the structuring and negotiating of debt financing transactions, including secured and unsecured facilities, first and second lien financings, backleverage financings, acquisition financings, project financings, cash flow facilities, asset-based loan facilities, institutional term loans and *pro rata* facilities.

Prior to joining the firm, Alex served as associate general counsel for an S&P 500 corporation, where he oversaw the company's financing transactions, and previously worked for another prominent global law firm.
