About Bryn

Bryn McWhorter is an associate in the Corporate Practice Group, based in our Washington, DC office. Bryn advises public and private companies on corporate governance and securities, investment funds and mergers and acquisitions.

She has worked with domestic and global clients across a wide range of industries, including renewable energy, healthcare and government services.

Experience

Bryn has assisted on a variety of key transactions, including:

- Representing a client on the sale of a defense contracting business to a private investment firm and a publicly-traded business development company.
- Representing institutional investors in connection with private equity and real estate fund investments.
- Advising a sovereign wealth fund in its equity investment in a clean energy technology company through the purchase of preferred stock, in connection with a strategic collaboration to develop a green hydrogen facility in the Middle East.
- Representing a client on the development and sale of a 200 MW wind turbine generator power plant located in Indiana.
- Representing a large US-based solar energy company in connection with the development, acquisition, sale, operation and maintenance of solar power and battery storage projects throughout the US.
- Advising a multinational company on the reorganization of its US operations, involving multiple entity mergers and equity transfers across its corporate structure.
- Representing a large solar power company in connection with the development, acquisition, sale, operation and maintenance of solar power and battery energy storage projects across the US.
- Advising a global identity intelligence solutions provider in a multijurisdictional restructuring.
- Advising a leading US-based beauty trade show organizer in connection with the negotiation and drafting of an international joint venture arrangement.
- Representing a leading global consulting and digital services firm in connection with its acquisition of a digital modernization solutions provider focused on serving federal healthcare agencies.
- Representing a premier systems engineering and analysis firm in connection with its merger into a private advisory services firm serving government clients.
- Advising public companies in connection with their US securities law compliance.
