About Charles

Charles Briand, a partner in the Paris office, is a member of the Tax Strategy & Benefits Practice Group.

Charles focuses on tax law, and more specifically on the tax aspects of transactions and on the daily tax assistance of French groups.

He advises multinational companies and private equity funds on a broad range of international tax matters, including French acquisitions abroad or foreign ones in France.

He also advises his clients on the tax structuring of domestic and cross-border acquisitions as management incentive plans.
