About Daniel

Daniel Tůma's practice focuses on mergers and acquisitions (M&A), general corporate matters and corporate restructuring, including mergers and spinoffs, real estate transactions and commercial disputes.

Daniel joined the firm as a fourth-year student from the Faculty of Law at Charles University in Prague. During his studies, he provided support on numerous real estate and corporate transactions, as well as several litigation and investment arbitration proceedings.

Prior to joining the firm, Daniel worked with the Czech Ministry of Justice's Department for Expert Witnesses and Insolvency Practitioners, and a Czech law firm. He has also completed a study programme with the Faculty of Law at Ludwig Maxmillian Universität in Munich.

Experience

- Assisting on an investment arbitration involving an international financial group.
- Advising a Czech company in complex litigation involving claims for damages, disputes over ownership interests, and related insolvency proceedings.
- Advised a Czech financial institution on a prominent real estate acquisition.
- Advised a Czech real estate investor in multiple disputes over the validity of its building permits.
- Advised a Czech developer in a dispute over liability for an invalidity of a contract for work.
