About Devinder

Devinder Singh leads the Restructuring & Insolvency Practice Group based in our Birmingham office. Devinder's clients include insolvency practitioners, funders, corporates, creditors and directors. He advises on all aspects of corporate restructuring and insolvency, with a particular specialism in contentious work.

Our Birmingham Restructuring & Insolvency team is ranked in the 2026 editions of *Chambers UK* and *Legal 500 UK*, where it is described as "a strong team with a great reputation". Devinder is described as "a seasoned lawyer who provides clear advice"; "exactly the sort of person you want on your side in a challenging case" and "calm under pressure". Devinder is listed in the most recent publication of the *Best Lawyers in the UK*, having been recognised since 2009.

Experience

- Advising the administrators of Economy Energy Trading Ltd, a gas and electricity energy supply company, including on complex distribution issues.
- Acting for the administrators/liquidators of Duet Capital Holdings Ltd, a company specializing in the leasing of high-end musical instruments to prestigious schools, following the discovery of a multi-million pound fraud committed against its funder.
- Acting for the administrators of Philips Trust Corporation Ltd (formerly known as The Will Writing Company) in administering tens of millions of pounds worth of trust assets pursuant to a novel distribution plan approved by the court.
- Acting for the administrators of Olympius Developments Limited, a real estate company, on the sale of an iconic apartment block in the Northeast of England.
- Advising boards of directors on their duties to creditors and other stakeholders during financial distress (including a leading regional football club).
- Advising debtors and creditors in distress situations, including security enhancement and enforcement.

- Advising insolvency practitioners and other stakeholders on all aspects of insolvency processes including investigations into fraud and breach of duty, antecedent transactions and asset tracing across jurisdictions.
