About Emi

Emi Iyobhebhe is a Construction & Engineering associate based in the Manchester office. Emi works on a number of non-contentious engineering and construction matters, where she acts for clients in a number of public and private sectors, such as sports and entertainment, real estate, retail and energy. Emi also advises on infrastructure and projects matters, where she acts for a wide range of clients, both nationally and internationally. Some of the projects that Emi has been involved in include advising on the creation of a new deep-water seaport and on the development of energy storage systems.

Experience

- Drafting and negotiating a wide range of construction, and infrastructure and projects contracts, such as:
 - Professional consultant appointments
 - Letters of intent
 - Pre-construction service agreements
 - Collateral warranties
 - Framework agreements
 - Standard industry forms (such as Joint Contracts Tribunal (JCT)), along with any schedule of amendments/special conditions
 - Bespoke forms of construction contracts
 - Service agreements
 - O&M contracts
 - Concession agreements
 - EPC agreements
