About Francesco

Francesco Cadelli is a member of the Corporate Practice in the Milan office.

Francesco focuses his practice primarily on transactional work (e.g. mergers and acquisitions, and reorganisations) in different sectors and industries, and provides assistance to multinational groups on corporate governance issues as well as day-to-day corporate matters.

In addition to the corporate work, Francesco has developed significant expertise with respect to data privacy and Italian regulatory regimes, in particular with respect to foreign direct investment (FDI) regulation.

Experience

- Representing a UK-based consultancy company in a group-wide international corporate reorganisation.
- Representing a US-listed company focused on the entertainment industry in connection with the acquisition of a leading Italian live entertainment venue operator.
- Representing a US-listed company focused on the water management solutions in the stormwater and on-site wastewater industries in the acquisition of a worldwide group of companies, including an Italy-based company.
- Representing a Turkey-based multinational group on the potential acquisition of a steel mill located in Italy.
- Representing clients on data privacy matters, including data breaches.
- Representing clients on FDI clearance proceedings in Italy with respect to M&A transactions.
