About Isabelle

Isabelle Sadler is an associate in the Global Corporate Practice based in the London office. Her practice covers all aspects of corporate work, including UK and cross-border mergers and acquisitions, private equity, group reorganisations and general corporate advice. She has advised a range of clients, from founders to management teams and private equity houses, across a range of sectors, with a particular focus on the technology and healthcare sectors.

Isabelle has recently returned from secondment to a pharmaceutical services company.

Much of her spare time is dedicated to mentoring junior legal professionals and supporting their entry to the legal industry.

Experience

- Advising the shareholders of Datapharm, a leading provider of regulatory driven medicines information and software solutions to the pharmaceutical industry, on its sale to CGE Partners.
