### About Kyle

Kyle Arendsen is a member of the firm's Restructuring & Insolvency Group and focuses his practice on companies and creditors in all aspects of corporate restructurings, including in chapter 11 cases, out-of-court restructurings and cross-border insolvencies. His restructuring matters encompass a wide variety of industries, including aviation, mining, manufacturing, oil and natural gas, healthcare and pharmaceutical.

Kyle is a recognized thought leader, and frequent speaker and author on restructuring and insolvency matters.

### Experience

- Representing a secured lender in chapter 11 cases in the District of Delaware concerning a large coal mining company with over US\$50 million of funded debt operating in Colorado and Alabama.
- Representing a self-storage facility operator in the Northern District of Texas, which resulted in a confirmed chapter 11 plan, the payment in full of all creditors, and a return to equity funded by a US\$588 million asset sale of a 64-property portfolio across 10 states.
- Representing an examiner in the Southern District of New York to evaluate the independent directors' decision-making process before approving a plan of reorganization for a pharmaceutical debtor with between US\$1 billion to US\$10 billion in assets.
- Representing an examiner in the Western District of Washington to evaluate international discovery disputes concerning a real estate debtor with over US\$100 million of funded debt and recommend available remedies.
- Representing an international financial advisory firm to recover its administrative expenses in the Eastern District of Kentucky in a coal mining bankruptcy case with over US\$150 million of funded debt.
- Representing a large coal mining company with over US\$50 million of funded debt in a chapter 11 case in the Western District of Kentucky to successfully sell substantially all of its assets in the Illinois Coal Basin in Western Kentucky, confirm its plan, establish a liquidation trust for the benefit of all creditors and close the cases within 10 months of the effective date.

- Representing a large oilfield service provider with over US\$50 million of funded debt in its chapter 11 cases in the Southern District of Texas to successfully sell substantially all of its assets as a going concern to its prepetition and postpetition lender and subsequently confirm a plan of liquidation.
- Representing a major coal mining company with over US\$250 million of funded debt in its freefall chapter 11 cases in the Southern District of West Virginia to successfully sell substantially all of its assets, resolve significant reclamation obligations, confirm its plan and administer the estates' liquidation trust.
- Representing a major casino gaming debtor with more than US\$18.4 billion in funded debt obligations and more than 1,000 timely filed proofs of claim.
