About Manon

Manon Ombredane specialises in EU regulatory and environmental law, with a particular focus on food, chemicals and product law. Her practice includes extensive involvement in task force management, litigation and compliance matters.

With a deep commitment to sustainability, Manon is passionate about advancing topics such as sustainable food, the circular economy and sustainable product design. She is actively engaged in work related to the European Green Deal, including the Chemicals Strategy for Sustainability (CSS), the Farm to Fork Strategy (F2F) and initiatives around ecodesign and sustainable products.
