About Nagia

Nagia Paraschou advises on domestic and international data privacy compliance matters, including in connection with data transfers, complex data subject access and other rights requests, and multijurisdictional projects involving the use and sharing of personal data around the world.

She also has experience working with large global clients and advising on ICO and other regulatory investigations.

Experience

- Recently advised a global business on a data breach matter involving more than 10 jurisdictions, coordinating advice across the UK and Europe and working closely with US colleagues.
- Recently advised a key player in the financial industry on its investment in an open banking and data insights business.
