## About Naila

Naila Kreidler is an associate in our Litigation Practice Group based in Böblingen. She advises and represents national and international clients in commercial litigation and extrajudicial proceedings with a particular focus on complex international product liability disputes in the automotive industry.

Prior to joining the firm in February 2020, Naila worked as a foreign counsel at a German law firm, where she advised international companies from various industrial sectors.

## Experience

- Acting as coordination and defence counsel in complex domestic and international product liability disputes in the automotive sector.
- Defence of US product liability cases and class actions in the automotive sector with a focus on e-discovery and witness preparation.
