About Sera

Sera Kaplan is an associate in the Intellectual Property & Technology Practice Group based in the Manchester office.

Sera completed her training with the firm and has experience in general commercial, data protection and intellectual property matters. Sera also has experience with supporting large value M&A corporate transactions.

Sera previously worked in the in-house legal team of a publicly listed global out-of-home advertising company and has undertaken several client secondments during her time with the firm, including one at a leading British bank and one at a publicly listed US-based consumer credit reporting agency. Sera is a regular contributor to the *Global IP & Technology Law* blog.

About our firm

One of the world's strongest integrated law firms, providing insight at the point where law, business and government meet. We deliver commercially focused business solutions by combining our legal, lobbying and political capabilities and invaluable connections on the ground to a diverse mix of clients, from long-established leading corporations to emerging businesses, startup visionaries and sovereign nations. More than 1,500 lawyers in over 40 offices across four continents provide unrivaled access to expertise.
