### About Simon

Simon Adams is an APAC lead of our Energy & Natural Resources Group and a partner in the Perth office. He is an experienced corporate and commercial lawyer with extensive experience in the energy and resources industries and associated infrastructure, including networks, pipelines and railways. He is regularly involved in corporate transactions, advising on competition/antitrust issues, in relation to regulated and non-regulated infrastructure assets, in which he acts for asset owners, users and regulators, and specialist advice in relation to energy and trading markets, particularly power and gas.

Simon is a member of the Western Australian Energy Review Board.
