Client Testimonials

- "Patrick Ford and Victoria Murphy have been critical players in both advising us on difficult tax and share option issues arising on our acquisitions, and effective negotiating solutions with the sellers. We have come to rely on their expertise and judgement, to the point that we use their practical advice and assessment of risk as our barometer when navigating difficult questions of tax risk and approach. They are regularly available on short notice, and I rest easy knowing when I hand over an issue to them to resolve it is in safe hands." *Legal 500*
