

Charity Ball

In support of:

Mental Health
Foundation

**We would be delighted if you would join
us at our charity ball in support of the
Mental Health Foundation.**

The evening will include a three-course dinner with entertainment
by principal musicians from "probably Britain's most adventurous
orchestra" (*The Times*) and Glastonbury openers, Manchester Camerata.

The ball is to raise money for the Mental Health Foundation and support its
mission to help people understand, protect and sustain their mental health,
and overall work towards achieving a world with good mental health for all.
